Dear Supporter,

SHOC News & Sponsorship 2019

100 Club – SHC Main Oval. Saturday 13th April, Round 2 V GAZA

Life member and SHOC legend Adam 'Spud' Marling has been working hard to organise the first event on the SHOCFC social calendar. If you haven't been approached by one of our ticket salesman and would like to buy a ticket please contact Spud on 0408 211 850.

Sponsors Lunch

Please also keep Saturday 20th July free for the SHOCFC Sponsors lunch, it will once again be held in the Function Centre at the Main Oval from 12 noon where we will playing Seaton Ramblers. Hopefully sparking some interest for sponsorship from some of the 'Heroes of 93'.

A Few Words From The Coach

In the build up to Round 1 at the Main Oval, our players have been working diligently in their physical preparation as well as honing their skills and team synergy. We have welcomed some fresh faces to our playing and coaching group this year which has generated some real excitement as well as strong attendances and a tangible air of fun on the training track. The club played its first trial on Saturday, March 16th against Old Ignatians which provided the opportunity for us to expose up to 50 players to significant game time. We look forward to taking on perennial Division 1 power Adelaide University at Thebarton Oval this Sunday, March 24th with our B-grade squad kicking off at 11am before our Senior group play from 1pm.

Fitness and conditioning coach Matt Penhall continues in his role and has the players in excellent condition, ready to implement our game style throughout 2019. As a whole, we are looking forward to delivering a brand of footy that all of our supporters can be proud of.

Our 2019 theme is '*Every Heart Beats True*' which reflects the importance of the actions taken by every individual. We look forward to our generous sponsors joining us on the journey and contributing to the on-field and off-field success of the SHOC Football Club.

See you at the footy!

Steve Kay
Senior Coach
SHOC Football Club

Financial Support

We continue to be committed to investing in player welfare and facilities. This is not possible without your financial support and we are asking for your generosity once again. Our club mission is to provide our players with an environment where they can enjoy their football and can be competitive with the best teams.

In 2018 our sponsorship revenue was again \$60,000 which accounted for 50% of our total expenses so your ongoing support is critical to us being able to put our 4 sides on the field each week.
